

Knobby's Kids Hockey

Knobby's Kids is a free program for kids, from age 5 to 14 that teaches skating for hockey and hockey. Older kids, aged 13 to 16, may be eligible to play with Knobby's Kids Senior/Overagers. The program is co-ed and there are no divisions based on gender, only those based on ability. Participants cannot be registered in any other hockey program. This free program is possible because of the commitment and support of our volunteers.
